Dear Keith, Gary and Scott,

Congratulations on Lucas County's Website being selected as one of the top 10 county website in the country. What an honor for Lucas County.

I commend you for your hard work and dedication to Lucas County. Thank you for the time and consideration spent developing the website and making it one of the best in the country. I appreciate your innovative thinking, it's helped Lucas County become nationally recognized.

I will be attending the 2003 NACo Annual Conference and have confirmed my attendance at the reception honoring the 2003 Digital Counties Survey Winners. Again, congratulations on a wonderful achievement. I'm sure you will all continue to help Lucas County remain a "model for other counties."

Sincerely,

Harry Barlos, President
